Citizens Advice Blackpool with the support of Blackpool Councils Crisis and Resilience Fund have launched a new dedicated telephone Line for professionals supporting clients. Providing swift triage and support for issues such as food insecurity, energy, debt, housing difficulties, welfare benefits and financial resilience.

The service offers access to longer-term advice and casework to help address the underlying causes of financial hardship and support sustainable financial wellbeing.

Crisis & Resilience telephone line for professionals: 01253 308412

Registered charity number: 113042
